84.149,26€

engine options:

2) optional Rotax 912 UL-S (100 hp) with gear-clutch, big size starter	2.838,00€	3.462,36€	4,0 kg
3) optional Rotax 912 UL-S FR with gear-clutch, big size starter	2.838,00€	3.462,36€	4,0 kg
5) inox steel exhaust system	625,00€	762,50€	0,0 kg
6) carbon airbox with ram air inlet and carburetor heat system	1.193,00€	1.455,46€	2,2 kg
7) 3-blade Warp CS high performance climb-propeller	678,00€	827,16€	2,0 kg

airframe options:

13) wing fast-connection-mechanism for quick wing detachment	244,00€	297,68€	0,4 kg
14) enlarged fuel tank system (total 78ltr)	544,00€	663,68€	1,3 kg
15) wall pockets in both sides of cockpit and additional luggage compartments in floor	332,34€	405,45€	1,5 kg
16) wheel fairing set	650,00€	793,00€	2,8 kg
17) cabin heat system	385,00€	469,70€	0,8 kg

equipment options:

51) rescue system type BRS6 softpack including installation set	4.460,50€	5.441,81€	11,0 kg
54) two-colour-comfort interior equipment with leather applications (beige & black)	875,00€	1.067,50€	0,4 kg
55) canopy protection covering	131,84€	160,84€	0,0 kg
57) blue coloured canopy with increased UV protector	234,00€	285,48€	0,0 kg
58) electric elevator trim	493,20€	601,70€	0,3 kg
59) position/strobe light system in wingtips and tail	959,00€	1.169,98€	1,3 kg
60) landing light including installation	326,20€	397,96€	0,3 kg
62) UL MIP engine/fuel computer, (replacing rpm indicator)	919,00€	1.121,18€	0,3 kg
64) climb indicator (80mm,feet/min)	374,00€	456,28€	0,2 kg
65) three-pointer altimeter (20.000ft/min) 80mm instead original altimeter	277,00€	337,94€	0,3 kg

Com-kit 1:

81) Filser ATR 500 including intercom, 2 Headsets HM100, cable set and installation	1.912,00€	2.332,64€	1,2 kg
---	-----------	-----------	--------

Com-kit 2:

82) Filser ATR 600 including intercom, 2 Headsets HM100, cable set and installation	2.369,00€	2.890,18€	1,4 kg
---	-----------	-----------	--------

Com-kit 3:

83) Becker AR 420 including intercom, 2 Headsets HM100, cable set and installation	2.729,50€	3.329,99€	1,2 kg
--	-----------	-----------	--------

Com-equipment:

84) installation of custom-delivered radios and cable sets	407,00€	496,54€	0,0 kg
85) com antenna including fuselage installation	165,00€	201,30€	0,4 kg
86) push to talk button in control stick including wiring installation	64,00€	78,08€	0,1 kg
87) transponder Filser TRT 800 Mode S, cable set, antenna	2.665,00€	3.251,30€	1,1 kg
88) transponder Garrecht VT-01, Mode-S, Class 2, installation kit, Antenna	2.289,00€	2.792,58€	0,9 kg
89) mechanical installation of transponder system	143,00€	174,46€	0,0 kg
90) wiring and certification class "S" as required in Germany	298,00€	363,56€	0,0 kg

Additional equipment:

91) GPS System	on demand	on demand	0,0 kg
92) installation of GPS System	199,80€	243,76€	0,0 kg
93) installation of artificial horizon RC Aller	129,78€	158,33€	0,0 kg
94) vertical card compass including installation	462,65€	564,43€	0,2 kg
95) turn coordinator including installation	605,63€	738,86€	1,0 kg
96) UL FAT (consumption, f.-press., level, endurance, voltage usw.) including installation	413,38€	504,32€	0,6 kg
97) EFIS System Dynon D10 including standard-wireset and sensor	1.980,00€	2.415,60€	1,1 kg
98) EFIS System Dynon D100 including standard-wireset and sensor	2.160,00€	2.635,20€	1,2 kg
99) installation / connecting and wiring Dynon EFIS	320,00€	390,40€	0,0 kg
100) EMS Dynon 120 including fuel management	2.250,00€	2.745,00€	1,0 kg
101) installation / connecting and wiring EMS DYNON 120	480,00€	585,60€	0,0 kg
102) Rotax 912 UL reduction gear clutch	590,00€	719,80€	2,2 kg
103) additional electric low fuel warning system	203,94€	248,81€	0,2 kg

Hangering:

111	nosewheel (tailwheel) hangaring-tow fork	98,78 €	120,51 €	0,0 kg
-----	--	---------	----------	--------

Others:

112	special colouration RAL 1023 (other colours on demand	580,00 €	707,60 €	0,0 kg
113	two colour paintscheme and decoset type <i>AERO</i>	1.184,00 €	1.444,48 €	1,0 kg
114	set of aircraft fixing supports for truck shipping	333,50 €	406,87 €	0,0 kg
